

Merry Heart Children's Camp Board Structure and Committee(s)

Merry Heart Children's Camp Board Structure and Committee(s)

General: Although this committee does have some specific tasks; additional tasks will be needed depending of the committee itself.

Medical, Health and Safety Committee

The health and safety committee reviews health procedures and policies and recommends changes as needed.

Tasks:

- Organize the camp medical team and help recruit volunteers and/or professional physicians and nurses.
- The committee shall identify medical, health and safety issues and resources.
- Review medical care related concerns, review policies and protocols, including medicine dispensing procedures in camp.
- Implement the medical, health and safety training plan, if indicated.
- Review camp injury reports to identify trends requiring preventive action.
 - Review all camp health logs and injury reports for recurring items.
 - These reports need to be reviewed at the end of the camp week in order to find and head off recurring safety issues.
- Develop medical forms.
- Promote personal health and physical fitness.
- Communicate with other committees about health and safety issues.
- Be on-call throughout the summer for medical emergencies and needs of camp.
- Develop medical list of supplies and equipment needed for camp.
- Develop medical, health and safety committee budget.
